Wholesale Price List Peonies and Irises

Fall, 1928

Terms: Cash with order or before shipment is made, except to old customers.

Divisions shipped any time after Sept. 15. No charge for packing. No order accepted for less than \$5.00.

PEONIES

All prices are for 3 to 5 eye divisions, with well balanced root systems and from strong, healthy stock which has bloomed true to name.

No less than 5 will be furnished at the 10 rate. Not less than 25 will be furnished at the 100 rate.

Of course, you realize that one plant of a variety is not WHOLESALE, so our prices are quoted per 10 and per 100. To the trade we will quote the usual discount from our Retail List, on one of each.
